COF210: Kenya AA Kaiguri

Winey, spicy, tangerine and other citrus - med+ brightness, medium body, spicy/caramel aftertaste

Cupping/Tasting Notes:

This is one special Kenyan - the aroma assaults your senses with complex citrus and spice tones. The flavor boasts a healthy brightness with medium body. Spice and caramel notes present more clearly in the flavor than aroma. After taste is smooth and spicy.

Roasting Notes:

This coffee may be too strong at lighter roasts - the acidity could overwhelm you. We recommend a Full City or darker roast, which will help develop spice notes as well as a sweet caramel balancing effect. Feel free to go lighter, just be ready for an intense coffee experience!
