COF286: Ethiopian Natural Sidamo WP Decaf

Strawberry jam and vanilla with nice tartness and juiciness. Hints of vanilla and blueberries. Medium brightness and body.

Cupping/Tasting Notes:

Wow, I can't believe this is a decaf! In aroma I get hints of strawberry and vanilla. As I dig into the flavor, I get nice bright and tart strawberry jam; nice and juicy. There is also vanilla and chocolate with a nice background of blueberries. Medium body and acidity. Very nice! I love this coffee!
